

Nordic Day on Deafblindness 2017 – Inspiration and Cooperation

4th of september 2017 at 10.00 – 17.30
Aalborg Kongres & Kultur Center, Aalborg, Denmark

Take part of recent research, new knowledge and exchange experiences – join us for the Nordic day on Deafblindness 2017 and meet your Nordic colleagues!

The tradition of collaboration in the field of deafblindness in the Nordic countries goes way back. Since there are quite few professionals within this field, it is important to meet in order to develop and spread knowledge.

The target groups are practitioners, researchers, public authorities and politicians, working with people with combined vision and hearing impairment or deafblindness. Both experts and beginners are welcome to participate.

The conference is free of charge.

Registration

[Register here](#)

Last registration date: 1st of June 2017

Practical information

Nordic Day on Deafblindness is arranged adjacent to the 9th Deafblindness International European conference. Information on accommodation, travel and conference venue can be found at: dbi2017denmark.com/aalborg.aspx

Language and interpretation

The presentations are in Scandinavian (Danish, Norwegian and Swedish). Interpretation from/to Scandinavian from/to Icelandic and Finnish will be available.
